FUN. FUNCTIONAL. FEASIBLE.

Your Ride, Your Rules

Choose the model that's right for you, add any optional accessories you like the look of, then – most importantly of all – enjoy the ride.

Elby | S2 SPEED **New**

Features That Never Let You Down

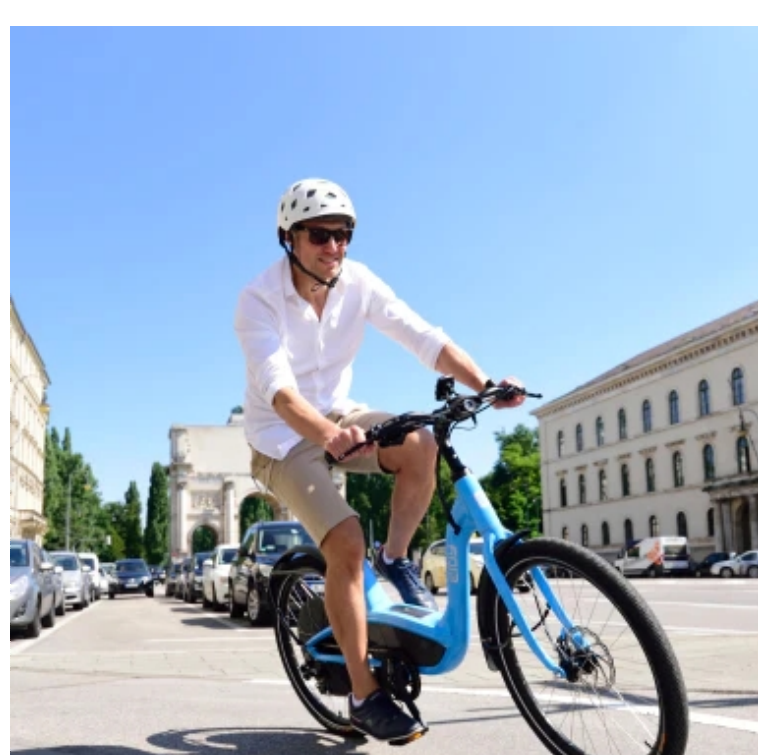

Power in your palms

Control the Elby literally at your fingertips: throttle, assist or regeneration level, and on-board display all are integrated with the handlebar for safe and secure cruising.
